

**IKON**<sup>™</sup>  
WALKER

## FEATURES

The IKON Walker has the simplicity of the IKON Lane Machine, now with the walking capability of the FLEX Walker.

- Sanction Technology™ Conditioning System with forward and reverse capabilities.
- The popular and easy to maintain DUO Transfer System enhances the smoothness of the pattern and allows for easy pattern changes.
- Patented Sprayless Cleaning System - No overspray in the gutters.
- Quick change squeegee assembly.
- Six drive speeds for best taper control.
- The onboard computer uses a 3.5 inch color touchscreen which makes it easy to monitor and adjust machine settings. It also holds 15 patterns of your choice.
- Single lightweight battery with external battery charger.
- Choose from 3 different size Lithium Ion batteries based upon your bowling center's needs or number of lanes ran per day.
- Zero Turn Radius lane to lane walking function
- Auto-aligning lane whiskers
- Smart processor auto-align memory
- Object detection
- Automatic burn pair
