# Spot On Pin Deck Spray

Spot On Pin Deck Spray is the only product that can be used manually or inserted directly in your lane machine\* for simple application with the push of a button!

Spot On creates a film to prevent pins from sliding which helps improve pin carry and eliminate off-spot pins and out-of-ranges. This ready-to-use spray comes in a 14 oz. aerosol can – no dilution necessary. Cleans easily and doesn't attract dirt to your pin deck!

\* Designed for use with the 2016 FLEX Lane Machine and lane machines with the Pin Deck Spray Upgrade.

\* For use in the 2016 FLEX Lane Machine.

Part Number: 156-8310

# Balance Approach All-In-One

Balance is the all-in-one solution to maximize the performance of your synthetic approaches. With one product you can create an even and uniform surface for optimal slide conditions. Clean and condition your approaches in one simple application. For using with a rotary buffer.
